All measurements are in inches.

Long/Tall body is recommended if you are 6 feet or taller.

### HOW TO MEASURE

**WAIST:** Measure just above the hipbone at the natural waistline. Stand relaxed, not holding your stomach in, as this will result in an inaccurate measurement.

**SLEEVE:** Measure from the **CENTER BACK** of the neck to the wrist

**INSEAM:** Measure from base of crotch to top edge of shoe, standing upright.

Try to wear the shoe that will be worn with the coveralls.

**CHEST:** Measure entirely around the largest part of the chest.
